When an enterprising thief rated during the night and helped us treasures, museum authorities have installed alarms and detectors, at the same time improving lighting on many exhibitions. You will visit the most important museum in Egypt with an Egyptologist as a guide. Live tourist guide English, French, German, Italian, Russian, Spanish pickup including pick-up at your Hotel Cairo or Giza Discover the treasures of the Egyptian Museum with an Egyptian Guide Gold Guide and Jewels I was interested by the King Tutankhamen Enjoy transfers between your hotel and museum in air-conditioning comforts add a thorough tour of the Egyptian Museum to your stay in Cairo. Growing collection of the French architect from Mariette, from 35 excavation sites, bounced around various houses in Cairo until 1902, when the current building was erected, in a properly prominent position in the city. Spectacular, and worth a visit. The mummy room costs an extra 100 pounds (double the registration fee to the museum itself). It was already visible on some articles in which the projections had been rubbed shiny. The vast majority of the artifacts on the display is not presented without information and the information presented seem to have been typed about 30 years ago on a manual typewriter. Egyptology Guide Entrance Guide Transport rate Tax and service charges Safety measures In force It is necessary to keep social distance while in vehicles the requirements of travelers needed to bring and wear a mask from € 52.29 per person I was very disappointed. No idea if they are reliable or accurate. The only exception was the small room with the coffin of King Tut and funerary objects. The house of the museum over 250,000 genuine artifacts, including the treasures of the most famous Egyptian pharaoh, Tutankhamen. Many of the artifacts are tangible and the greatest She was touched. While some rooms are being renovated, the objects are deposited elsewhere in the museum.
